Destination...

Your adventures will be amidst the most scenically beautiful, uninhabited islands found in the Great Barrier Reef Marine Park. A unique journey that will stay with you for the rest of your life.

Each morning set sail to enjoy all that the idyllic tropical destination of the Whitsundays has to offer; help sail the yacht, snorkel, dive, and fish the crystal waters, walk the secluded beaches, kayak around the island resort, or just lie down and relax on the white sands of **Whitehaven Beach**.

In the evenings relax and chill out at the laid back resort bar, and enjoy the good food supplied by the resort restaurant. In fact, all main meals are served by menu on the island, all included in the price.

Spend one night onboard the yacht in a comfy single or double berth, and one night on the Island in a fully air-conditioned cabin, or both nights onboard (if available).

Departs

9.00am on the 1st day.

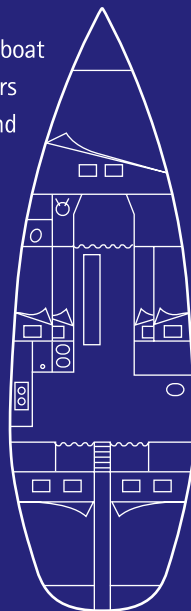

Returns

Returns at 3.30pm on the 3rd day.

Includes all meals, snorkelling gear, & one night on island resort.
